

Poudre Canyon Areas: What Do Their Names Mean? Why Are They Here?

When hiking or skiing in Poudre Canyon and other areas around Fort Collins, have you ever wondered how some of the lakes, rivers, passes and other landmarks got their names? The region has a rich history featuring the exploits and misadventures of fur trappers, miners, soldiers, Indians, desperadoes and others whose names still remain on our maps today. In this presentation, CMC member Carolyn Hammond will recount a few of the stories from the early days of Poudre Canyon and other colorful places in the region.
