

# Alan Arnette – Fort Collins CMC Annual Dinner November 7, 2015 6PM @ The Agave Room \$35/person

Alan Arnette is an Alzheimer's advocate, professional speaker and mountaineer.

He took early retirement in 2007 at age 51 from Hewlett-Packard to oversee the care for his mother who had Alzheimer's and has become a well-known Alzheimer's advocate and spokesperson for Alzheimer's research, caregiver support, education and awareness.

He is an acclaimed professional speaker who brings a message of hope, need and urgency to audiences around the globe. During his nearly 30 year career at HP; his roles ranged from general management to marketing, R&D and sales, including international assignments.

Alan began climbing at age 38 and has climbed on some of the world's highest peaks. He has now completed over 36 major expeditions, including summiting Mt. Everest in 2011, K2 in 2014, plus all 58 of his Colorado 14,000 foot mountains which is a surprise to his friends and family in Memphis where he was born. He was on Everest, when the 2015 earthquake hit creating massive destruction throughout Nepal. He has been instrumental in raising money to rebuild Sherpa villages. Alan shares his experiences through social media channels and on his website [www.alanarnette.com](http://www.alanarnette.com). His followers total over 1 million people. He is sought out to comment on mountaineering and Alzheimer's events for global media outlets.

He is a regular contributor to both Rock and Ice and Outside magazines on mountaineering subjects. Outside called him "one of the world's most respected chroniclers of Everest".

His innovative Alzheimer's awareness and fund raising projects have reached over 50 million people and raised over \$250,000 for research.
