

## **Alaska Via the Inland Waterway**

**Presented by Eileen Edelman, Kate Polk, Sandy Jordan, and Linda Brisbane**

Our own Fort Collins members take you cruising up the Inland Waterway on Alaska's Marine Highway. They recount tales of hiking and camping on Wrangell Island, hiking the west side of the Mendenhall Glacier, and exploring the city of Juneau and its surrounding areas. Kate and Sandy continued north to explore Anchorage, Fairbanks and Denali National Park, while Eileen and Linda turned south and west to trek in Canada's Jasper and Banff National Parks.
